

# TERENCE H YOUNG

*Member of Parliament for Oakville*

Terence Young and his family (Gloria, Hart and Madeline) have been members of the Oakville community for over 20 years.

Terence served as MPP for North Oakville from 1995 to 1999. He won the riding by over 16,000 votes - one of the largest pluralities in Ontario.

Like many in Oakville, Terence has volunteered in the community for many years. He has worked with Crime Stoppers, Community Policing, the United Way, Glen Abbey Residents' Association and many other community groups.

Whether it was as MPP, community volunteer or, more recently, as Oakville's Conservative member of Federal Parliament, Terence has always worked hard to put Oakville on the map.

Through the Terence Young Community Action Centre, Terence has helped countless Oakville residents with federal issues such as pensions, health care, immigration and veterans' affairs.

Outside of politics, Terence has worked with groups such as the Canadian Opera Company, Family Alliance Ontario and Canadian Veterans Remembered.

Terence also founded Drug Safety Canada, a non-profit group dedicated to promoting the safe use of prescription drugs and raising awareness of adverse reactions to prescription drugs.
